**SECOND COLLECTION**

The Second Collection this weekend is for  
the Cathedral Renovation Fund. You may have  
noticed that we are having problems switching  
the lights on or off in the Cathedral. You will also

notice that there are a number of light bulbs that no longer work. The current lighting arrangement is now around twelve years old and needs upgrading. The estimated cost of this is around £80 000. A significant part of this is the cost of access. This is a major expense, and it will take time to gather the required funds.

**Thank you to those who have already contributed to this appeal.** Your generosity is very much appreciated.

### **SERVERS**

We are looking for adults, men and women, who would be willing to serve Mass.
