

Archdiocese of Glasgow

St Andrew's Metropolitan Cathedral

Choir Recruitment 2025/26

Each year at the start of the new session, I have sent an invitation across our Archdiocese regarding membership of our Cathedral Choir. There has been a steady increase in membership resulting from this and I write again this year to ask anyone who may be interested in joining us to respond to this invitation.

I am looking for people to sing in the choir in all four sections – soprano, alto tenor and bass and whilst the ability to read music would be beneficial, it is by no means essential.

This invitation is extended to anyone across our Archdiocese who may have an interest in choral singing but is **absolutely not intended to draw parishioners away from your own parish music ministry**, rather is for those for whom, for one reason or another, there is no choir, music group or music ministry that involves you.

A commitment would involve you attending as many rehearsals as you can on a Thursday evening from 7.00 until 9.00 and singing at the 12.00 o'clock Mass on a Sunday.

Are you interested?

Do you want to come even on a trial basis?

Many thanks to all those who rallied to the call last year and are now making a significant contribution to the life of our Cathedral.
